

## Observation

Evie May

Round spectacles

white t-shirt looks calm

- > On Requesting → turned On Camera
- > weasy Speed      Good home background.
- > Font size → small, so she had to look deeply.
- > Amreeta sharing screen & explaining. (research paper)
- > Evie is understanding what Amreeta says & answering.
- > Evie → posture → keeps hand on her forehead often & reads the paper
- > Evie → couldn't read the figure & text  
Blurry
  - so she had to open the paper by herself to read it.
  - stopped sharing (Amreeta)
- > Evie → still she couldn't see a clearer image from the paper. After getting suggestion from Amreeta reg to download paper & read it.
- > Evie → drinks coffee & listens to Amreeta's explanation on coding
- > She asks few doubts which are being answered by Amreeta
- > Collaborating through Excel sheets.

> Evie not that familiar with Excel.  
She says she only knows some basic.

> Amreeta explains.

> Evie's expression → trying to understand  
→ clarifies her doubt.

> Evie listens, Amreeta shows her screen.

> Both read some coding steps.

> Evie → keeps her hand on forehead  
trying to understand the recdly content.

> Exchanges their understanding on code stuffs.

> Evie → plays with her hair while listening.  
She looks little confused, but

Amreeta asks 4 questions & Evie answers 2  
with doubt.

Evie → listens while amreeta goes through  
content → ten min.

Collab Tools → Jira,

Evie → keeps her hand on cheeks & then  
goes through the material in depth.

30 min

Evie → comes closer to the screen & reader.

Eve → Yawns & asks few questions.

Eve → keeps seems little exhausted, she is  
Confused / do not understand.

— she they both tries to understand.

— She keeps her both of her hands on  
her Cheeks.

Eve → takes coffee after.

Looks keen into the Screen

Eve → Both tries to understand  
Yawns.

40 min

Eve → looks at her mobile for a minute.

& She is back to reading.

She keeps a hand to support & keeps reading on.

13 min

Looks move closely into the screen to  
read & understand.

> Changes posture often & reads
